

Improvising Hymn Variations

a workshop

with tutor

Hilary Norris

(Director of Studies, DHOTS)

from 11am to 1pm

Tuesday May 29th

Bosbury Church HR8 1QT

The second in the current series of WOA/HOS workshops on improvisation will use the fine historic organ at Bosbury. The theme for this session is hymn variations, progressing from simple harmonisations and duos, through progressive ideas to facilitate improvising a set of variations. The workshop will be helpful for beginners as well as those with previous experience of improvising: it is not necessary to have attended previous workshops. As always, the atmosphere will be friendly and supportive.

Please let us know if you would like to attend, as either a participant (£15), or an observer (£5), with no charge to students. To book or enquire, please email johnerskine@worcestershireorganists.org or telephone 01684 575676. A full handout, with preparatory exercises and examples of accessible variation forms, will be made available.
